Read more about your Extras cover in our online A to Z guide which can be found under 'Your Cover' on our website. You can find a copy of the Private Health Information Statement by visiting PrivateHealth.gov.au.

Our industry code of conduct The Private Health Insurance Code of Conduct is a voluntary industry code aimed at delivering better service to health members through clear and complete communication, whether in writing or in person. As a signatory to the code, we are committed to ensuring that our members receive accurate information from properly trained staff, including clear and complete policy documentation, and information on internal and external dispute resolution processes. You can read more about the code at www.privatehealthcareaustralia.org.au.

Effective 12 May 2023. Fund rules and policies are subject to change without notice. If a change will adversely affect your membership and/or benefits, we will notify you in writing. Depending on the issue, this may be through a personally addressed letter or via email. While you are making your decision about whether to join RT Health, and which cover is best for you, it is important that you read (and retain for future reference) this cover guide and any other materials that we might send to you or refer you to.

Your Cover Guide provides a full description of all the benefits, restrictions and/or exclusions of the RT Health cover you've selected. It's part of your insurance contract with us, so we provide you with one when you first take out your cover and every time you change to a different level of cover with us. To get to know everything you can about your cover, it's important you read this document carefully and retain it. That way you'll always have a full description of your cover on hand when you need it.
